

# ADD PIZAZZ *to your products*

IT'S EASY AND SIMPLE TO ADD FUN AND EXCITING PACKAGING  
AND COLOR TO YOUR PRODUCTS THAT HELP THEM STAND OUT!

## Printed Newsletters

Direct mail pieces such as newsletters are a great way to connect to your readers at a deeper, more emotional level. Sending them in a standard white or brown envelope is great, but how about sending them in a clear mailing envelope that let's your product show through and wowing your readers before they even open them up.

# ADD PIZAZZ TO YOUR PRODUCTS

## Spiral Binding

Journals, planners, and workbooks are just a few examples where a lay-flat spiral-bound product would be the best option for the user. We offer a variety of cover options:

- Soft Covers
- Poly Paper (water and tear resistant)
- Hard Covers
- Laminated Soft Covers
- 2-Ply Board Covers

We offer a range of colors for spiral and wire-o that have the power to deliver a high-impact first impression, as well as a reliable binding option for your customer. Your product, already packed with value, becomes awe-inspiring and unique with the simple addition of a color or metal option.

- Plastic spiral binding (50+ colors)
- Metal spiral (3+ colors)
- Metal wire-o (7 colors)

## Custom Label or Custom Printed Box

Custom labels are an excellent way to maximize your brand, logo or message. Take advantage of this valuable – and often overlooked – brand-boosting opportunity by creating a full-color label that features your unique design. Custom labels are a simple, yet vastly effective way of dressing your letters and packages for success, and making sure that your brand is the one that stands out.

A custom printed box stands out from the crowd. Add your message to the outside and inside of the box and wow your customers!
